

STATEMENT VERIFYING SAFETY INSTRUCTION ON CIRCULAR POWER SAW

I certify that I have received safety instruction on the use of the circular power saw that I may use in the Regional and State SkillsUSA carpentry competition. The saw I plan to use in the competition has been thoroughly inspected and is in safe working condition. I release SkillsUSA Ohio, any of the six Regional SkillsUSA Ohio Technical Committees, and contest judges, coordinators or the Ohio Carpenters JATC from all responsibility related to personal injury resulting from its use. I understand I have the option of using a regular hand saw if I so desire, with no points deducted.

I have successfully passed all safety requirements for the use and operation of all tools and equipment required for the SkillsUSA Ohio Regional and State Carpentry contests.
